YOUR IMPACT

With your support, the 42nd annual Festival of Trees & Lights raised more than **$1.2 million** for Child Life and the Center for Advocacy & Outreach. More than **10,500** community members attended the public event and saw **91** beautifully decorated trees.

Thanks to you, Blank Children's Hospital provided care to **40,910** patients last year. Child Life Specialists had **44,000** interactions with patients, fostering healing and recovery.

"When everything feels overwhelming and you can't see beyond the next appointment or hospital stay, having a team that truly cares makes all the difference," says Jordan, Sully's mom. Sully receives complex care throughout Blank Children's Hospital. "They don't just care for your child – they support the whole family with compassion."
