Dear Mr. and Mrs. Sample,

Thank you for your support in 2020, a year unlike any other. Together — guided by a commitment to serve the greater good — we reinforced just how much UC Berkeley matters and endures.

Cal students and faculty lent their expertise, leadership and scientific resources, and your generosity helped nourish their ideas, dreams and aspirations. When members of our faculty picked up two new Nobel Prizes this fall, we were further reminded of the significance of Berkeley’s leading-edge public research.

For your records, we are pleased to send you this statement summarizing your charitable gifts to UC Berkeley from January 1 through December 31, 2020. We are deeply grateful for your philanthropic support.

As tomorrow’s leaders, Cal students and their experience here will determine how California, our country, and the world respond to the global challenges we face. **Your contribution is more than just a gift, it is an investment in our collective future.**

Make your 2021 gift today by visiting give.berkeley.edu/renew or using the attached form.

In gratitude,

— *The Students and Faculty of UC Berkeley*
