# Creating Opportunity Through Community

"I've known President Luke Wood since our days as students at Sac State, and one thing has always been clear — the strength of this university comes from the people who show up for our students."

— **Ryan Murphy**, Chair, University Foundation at Sacramento State

<First Name>,

As the academic year comes to a close, we celebrate Sacramento State students who have worked hard to reach this milestone while balancing classes, jobs, family responsibilities, and countless other commitments. Support from alumni and friends helps make that success possible—funding scholarships, student support services, hands-on learning experiences, research opportunities, and career preparation programs that help students thrive.

In my role on campus, I have the privilege of seeing the impact of this generosity firsthand. That's why I'm writing to ask you to consider making a gift to Sacramento State. Whether you choose to support a specific program, scholarship, or area of greatest need, your contribution helps ensure students have access to the opportunities and support they need to thrive.

As a small token of our appreciation, we've enclosed a Proud Hornet Supporter sticker to recognize your role in supporting Sacramento State students. We hope you'll display it proudly as a symbol of your connection to Sacramento State and your belief in the power of education to transform lives.

Thank you for being part of the Hornet community and for considering a gift in support of our students.

Sincerely,
**Jennifer Barber**
