Consider renewing your support for Oakwood today!1 message

Dear [REDACTED],

I'm reaching out to thank you for your past support of Oakwood and to express my hope that we can count on your continued generosity this year! We are truly grateful for your participation as a dedicated alum over the years and for helping to provide an exceptional Oakwood experience for current and future generations of Oakwood students.

Having recently joined Oakwood, I already recognize what a special place it is and am enjoying getting to know more about the community each day. It's been a true joy to be a middle school advisor this year. My advisees are creative critical thinkers, who bring so much energy and thoughtfulness to our class—they truly embody what our school is all about, each in their own unique ways!

Alumni contributions help our community continue to flourish so I hope you'll consider renewing your gift or making a pledge today. We are currently at 5% Alumni participation and are looking to achieve 10% this year. You can make your gift online [here](#), by mail, or with stock/securities. Or you can contact me directly for any other information.

I look forward to getting to know you and helping to grow alumni and parent of alumni resources. Thank you again for your continued support and ensuring that our students can form their own special memories like the ones you had at Oakwood! Thank you for staying connected to Oakwood and I hope to see you at future Oakwood events.

Please don't hesitate to reach out to me or Christie Guevara with any questions or needs.

With gratitude,

A handwritten signature in black ink that reads "Hunter Kennedy".
