

"I honestly want to say a huge thank you to everyone who donates to NKU. Opportunities arise when you open the door, and I am so grateful to everyone who has kept that door open for me."

- Wendi Cantero, NKU Student

Make an Impact Where it Matters Most

A gift to Northern Kentucky University is an investment in the vitality of our students and their futures. With your support, we will continue to strengthen the educational opportunities at NKU, fueling students as they reach new heights, transform their lives and become the regional and global leaders of tomorrow.

FUND FOR EXCELLENCE

When federal and state funding runs low, the cost of maintaining an environment dedicated to student-centered learning and academic achievement persists. In 2021-2022, **the FFE provided \$140,000 in support of university initiatives**, assisting students and the university when and where it's needed most.

STUDENT EMERGENCY FUND

Over 300 students have benefitted from the Student Emergency Fund. This aid transforms unforeseen moments of crisis into astonishing moments of relief and gratitude. Your gift means that one less student will have to put their education on pause due to a financial emergency.

NKU SCHOLARSHIPS

In 2021-2022, NKU awarded nearly **\$3 million in donor-funded scholarships to over 750 student recipients.**

Help us close the achievement gap by donating to scholarships, offering more students a chance at higher education and strengthening our region's future.

ASHISH AND NITA VAIDYA FUND FOR MENTAL HEALTH AND STUDENT ENGAGEMENT

We're focused on supporting our students' mental and social well-being. Your gift can help us deescalate problems before they become a crisis while encouraging meaningful interactions and creating valuable support systems.

If you would like to make a gift to one of the funds listed above or want to explore other opportunities to give your support to NKU, please visit: nku.edu/give.
