April, 2022

Dear Classmates,

This year's Generation Vassar totals are in, and we are very proud of our Class's participation in this decade challenge. Thank you to the 37.4% of us who supported the Vassar Fund this year. We are also pleased to share that, since our 50th Reunion, our Class has raised over \$2.7 million in honor of our upcoming 55th. This is an incredible accomplishment and a testament to our confidence in our alma mater, and there is still time to add to that total.

Because so many of our classmates have supported our Annual Class Scholarship Fund over the years, we are excited to announce that the Reunion Committee has voted unanimously to establish a new Class of 1967 Endowment Scholarship Fund. This fund will operate in perpetuity and create a lasting legacy to our Class. This special endeavor would not have been possible without the generosity and leadership of the Reunion Committee. We hope that you will join us in participating in this important initiative.

And did you know that future gifts to Vassar are counted in our reunion gift total? Consider designating the College a beneficiary of your IRA, 401(k) or 403(b) or make a bequest to Vassar in your will or revocable trust. These future gifts don't cost you anything today, but will make a difference for Vassar's future. Email giftplanning@vassar.edu or call 845-437-7773 to learn more.

Our 55th Reunion is fast approaching. The weekend will be filled with great programs, meals, cocktails, and, most importantly, opportunities to relax and spend time together with old friends. We will also celebrate the indelible mark that Vassar has left on all of us. Now we want to leave our mark on Vassar. Please join us in supporting our *alma mater*.

Salve,

Marcia Posselt Goldblatt '67
Fund Co-Chair

Susan Newkirk Wright '67
Fund Co-Chair
