

Class of 97 - June Email

Dear Class of 1997,

It was wonderful to see so many of your classmates return to New Haven to celebrate your 25th Reunion a few weeks ago! It was a fun filled weekend for all, and to those that couldn't make it, we missed you! To see photos from the weekend and download any you would like to have, [click here](#).

As alumni of this remarkable institution, you can have a profound impact on the futures of current Hopkins students by supporting your alma mater. One way you can support current and future Hilltoppers is by making a gift to the school. Alumni participation is critical and your gifts go to support all that makes Hopkins the special place that you remember.

At the bottom of this email is a list of classmates who have donated this fiscal year. To add your name to the list, simply make your gift before June 30 by visiting www.hopkins.edu/giving. Gifts of all sizes are important and appreciated.

We hope you will join your classmates today in supporting Hopkins' students. As volunteers, advocates, and donors, you can play a vital role in the "breeding up of hopeful youths... for the public service of the country in future times."

Sincerely,

Charlie Rich
