The Dean's Society

Albert Einstein
College of Medicine

*W*e are delighted to announce the creation of the Dean's Society, celebrating alumni and friends who generously provide leadership annual support.

The Dean's Society honors donors making leadership gifts to the Einstein Annual Fund each year. Generosity from this community of benefactors provides critical funding for scholarships, innovation, research, and experiential learning opportunities for students and scientists at Einstein.

Society Levels

Benefactor	→	\$50,000 +
Founder	→	\$25,000-\$49,000
Patron	→	\$10,000-\$24,999
Sustainer	→	\$5,000-\$9,999
Partner	→	\$2,500-\$4,999
Associate	→	\$1,500-\$2,499
Recent graduates	→	\$250 in the first five years after graduation

The sum of all gifts made between Jan 1-December 31, including installment gifts throughout the year, will count toward Society giving levels.

We are pleased to recognize all Dean's Society members with the following benefits:

- *Invitations to the annual Dean's Society Honor Reception;*
- *Recognition on the website Honor Roll and at events;*
- *Regular news and updates from Einstein;*
- *and a personal liaison in the Office of Alumni and Development.*

Donors at higher levels of the Society will enjoy increasing recognition for their support as well as opportunities to attend exclusive events and lectures throughout the year. New members will receive a signature welcome gift in recognition of membership.

The first 216 contributors making Dean's Society level gifts will be recognized as "Inaugural Members" and will receive special recognition in our annual report and an invitation to join Board leadership for an update on developments at the College of Medicine.
