Thank you for being the "I" in
Bod ne

The "I" in Your Impact

We are deeply grateful that **YOU** understand the value of the work we do.

You have played an integral role in our students' progress, exemplified by a second grader below from **August to April**:

A Bodine 2nd grader's spelling progress from August 2020 to April 2021

Parent Testimonials

“After finishing her first year at Bodine, our daughter insists on reading out loud some nights during family reading time and chooses books over screens some days as well! She is excited to delve into the worlds that books offer! - **Kris B.**”

“Bodine has not only given our son confidence reading but also has impacted our family as a whole. He now looks forward to so much from simple daily signs in the neighborhood to reading with us and his brothers. We are forever grateful for the gift that Bodine has given us.- **Allegra T.**”

“My child has made a complete 180 with regards to reading. There are no tantrums, no tears, and no frustration. She willingly reads to her sister, her toys, and to us. Bodine has changed our lives. - **Sarah E.**”

“Her teacher was amazing and pushed our daughter to be responsible for her own learning and created a ferocious appetite for learning and reading. Our daughter loves to read 4-5 books a week on her own for fun. Her self-confidence and self-esteem skyrocketed. Her happy and positive attitude returned. - **Sandra S.**”

You can feel proud knowing your generosity this year helped our students realize their academic potential. Thank you for all the ways you support our mission to lead the Mid-South in teaching students with dyslexia to read and succeed.
