“Pingry was, and is, a place of education with intent. The small classes, taught by teachers who are also coaches and advisors make a positive impact in the lives of every student.”

—LINDSAY LIOTTA FORNESS '80

“One Pingry memory I will never forget is the **Peer Leadership retreat**, where I had the opportunity to connect with members of my class on a deeper and more personal level. **The bonds** that were created during that weekend were **monumental and integral** to creating long-lasting friendships.” —MARISA WERNER '12
