WHO we are: StAR Club (Student and Advancement Relations) is a group of student volunteers committed to educating classmates about the importance and impact of donor generosity. The club seeks to promote a culture of gratitude, to further a spirit of engagement, and to provide students the opportunity to give back to the school.

WHAT we do: As our student alumni ambassadors, you will work collaboratively with the Advancement Office to involve your classmates in conversations and education regarding the impact of alumni support and philanthropy. Through engaging programs and activities we aim to create a philanthropic student community that is poised to continue to engage with and support the BB&N community as alumni.

WHY we need you: Did you know your alumni experience began the moment you enrolled at BB&N? As a StAR member, you will stay connected with us to enrich your student experience, participate in events, and find opportunities for leadership, career development, and networking. Members exemplify BB&N pride, commitment to the community, and an eagerness to connect current students to alumni.

WHEN and WHERE we meet: We will be meeting every other Thursday in room 372 from 11:25-12:45. We will provide a calendar of events/activities with dates shortly!

Just some of the opportunities you'll have as a StAR Club member:

- ★ Plan and volunteer at campus student philanthropy awareness events
- ★ Educate community members about programs like The BB&N Fund
- ★ Learn about all the ways our alums support the BB&N community
- ★ Provide suggestions and feedback on student & alumni programming
- ★ Contribute ideas that will shape your experience as alumni!

And always feel free to reach out to us with questions or ideas!
