Dear Ashley,

In October I had the great honor to be inaugurated as the 25th President of Canisius College. Since my arrival this summer, I have been humbled by the outpouring of support from our dedicated and loyal Canisius community.

Canisius is a special place and our students are at the heart of all that we do. I am inspired daily by their passion, drive, and dedication to improving the world around them. More than ever, our society needs Canisius graduates – leaders in their professions and in the community – who are prepared to make a difference in our ever-changing world.

With your help, we can seize this opportunity to serve as a model for justice and innovation, enhance the student experience, expand our scholarly influence, and most importantly, provide important financial resources for all students who desire a Canisius education. One hundred percent of our incoming first-year class received some type of financial support, and last year Canisius provided over \$28 million in financial aid to our undergraduate students.

Nothing of significance is accomplished alone and Canisius is blessed to have alumni and friends who continue to make the college a philanthropic priority. Whether you choose to support student scholarships, our excellent academic programs, or the unique learning opportunities that will transform a new generation of leaders, please know your gift matters and is making a profound difference in lives and on families, and communities.

During this special season of giving, please join me in supporting Canisius and our students by [making your gift today](#).

AMDG,

Steve K. Stoute

P.S. Consider directing your gift to the Canisius Fund – our area of greatest need. In doing so, you will provide important support for programs that lead directly to our students' success.
