Subject: [TEST] Tomorrow - Lets fight hunger together!

\$salutation\$,

Tomorrow is the day! I hope you'll join me in supporting our fellow Rams on Giving Tuesday. **Let's fight hunger together, so students can focus on their studies, their community, and their future.**

MAKE A GIFT

As a very recent graduate of CSU, I've seen first-hand how much students need support during their undergraduate and graduate years. I began working with Rams Against Hunger as a Student Coordinator as an undergraduate, and was hired on as the Basic Needs Program Coordinator after graduation. The Rams Against Hunger community supported me not only in my passion for food justice, but also in my growth as a well-rounded student and community member. Just like me, CSU students who are supported by Rams Against Hunger go on to impact their world and build meaningful community wherever they go.

**A gift of \$10 provides a student with a nutritious meal,
and \$140 can feed a student for an entire month.**

When a student knows their plate will be full of nourishing food, there's less room on that plate for worry. I couldn't imagine a better way to spend my day than supporting our community of Rams as the Basic Needs Coordinator. I know that students who use Rams Against Hunger resources feel a sense of relief and support because I see it every day. I know you understand this experience – you are already giving your time, your talent, your mentorship to help students succeed. **Giving Tuesday is the perfect way to deepen your support - your dedication to CSU makes your gift shine even brighter.**

MAKE YOUR GIFT EARLY

I'm grateful for you!
