

**Announcing the faculty and staff campaign for MIAD: *Our Creative Future — Community***

**The MIAD value of Community asks us to positively contribute to the world around us.**

The MIAD faculty and staff community is uniquely invested in the success of our students, directing its centers for creativity and support, and is committed to the excellence of its programs.

Your support of MIAD's faculty and staff campaign will immediately impact our student community, removing financial barriers to their education and supporting their ability to live creatively and fearlessly.

Your participation in any amount can make a difference in supporting student scholarships, student emergency aid, senior thesis awards, or any area of your choosing.

Visit the Faculty and Staff campaign page to donate today or to learn more about payroll deduction and other flexible giving options.

Thank you for your support, as we continue to design a vibrant creative future for our students!

Questions about how to get involved? Contact Kyle Hernandez, [kylehernandez@miad.edu](mailto:kylehernandez@miad.edu) or 414-847-3266
