

Mr. & Ms.

Dear Mr. & Ms. ,

Case Western Reserve University students are smart, strong, flexible, innovative and caring. I have seen this as a parent of two CWRU graduates and with the students I encounter each day in my role as vice president for student affairs. This past year in particular, I have been impressed by the accomplishments of our students. At every turn, I have seen incredible courage, optimism, problem-solving, creativity and resilience. We have all been pushed in new ways, and together we have risen to face those challenges head-on.

Our staff in the Division of Student Affairs is committed to helping all students succeed—no matter their circumstances. We are dedicated to creating a supportive community, forging campus connections, fostering diversity and inclusion, and developing leaders. Our initiatives and programs are designed to help our students reach their fullest potential in the classroom and beyond.

We are able to offer this level of personal engagement because of the financial support from parents like you. Gifts to the Parents and Family Fund allow us to continue delivering the best possible experience to all of our students.

If you are able, I hope you will make a gift to the Parents and Family Fund. In these ever-changing times, your support can make an immediate—and lasting—impact on the lives of our students.

With gratitude,

Louis W. Stark
Vice President for Student Affairs
Case Western Reserve University
