Hi Ms. Micalizio,

As a freshman here at Georgia State University, I have gotten to experience so much during the last four months. One of the highlights was Family Weekend, when Georgia State welcomed over 650 people to campus. This was a chance to show my parents all the things I love about life as a Panther. When asked about my favorite part of the first seven weeks, I struggled to pick just one aspect, but decided on highlighting my love for the inclusive, supportive and compassionate community at Georgia State.

For many students, myself included, the hardest part of adjusting to college life is being away from family. But, here at Georgia State, we recognize that family is everything. That's why we work continuously to build a community of support that fosters student success— the Panther Family.

By making a [gift to the Panther Family Fund](#), you are strengthening the community that surrounds your Panther and nurturing our culture of achievement. As students, we all benefit from a vibrant, opportunity-rich campus and you can help boost Georgia State's efforts to ensure we all have one.

I hope you'll contribute to the Panther Family Fund. It will make a material difference in Panthers' lives and show students like me that our potential is worth investing in. Your gift today will decrease financial barriers for students and their families and give otherwise unattainable opportunities to students with financial hardships.

Thank you for all you have done—and continue to do—to build and strengthen the Panther Family and advance [THESTATEWAY](#)®.

Warm regards,

Naomi Garcia-Hector  
Public Policy, Class of 2025
