

Help students start the year strong!

Today's Cornell students are resilient, just like us. 🤝 They've weathered years of change and uncertainty. 🙏 And just like us, they'll become Cornellians who go on **to do the greatest good** in their own communities, and around the world. 🌍 🐾

On Giving Day in March, the Class of 2022 closed out the day at the top of the donor leaderboard, with 538 classmates participating! Together, we raised over \$35,000!

This fall, we're asking you to participate in Cornell's [back-to-school fundraising campaign](#) to help current students jumpstart their semester, by making sure they have the resources they need to have the best year possible.

We hope you'll join us and make a gift of any size, to any area you care about. Together, our gifts to Cornell add up to make a big difference for new and returning students.

This back-to-school campaign will be shared with all alumni tomorrow, and you can help build the momentum! Join us and make a gift today.

Thank you! 🐾
