Friend,

With support from generous donors like you, when the unexpected happens for a student at Babson that jeopardizes their ability to successfully continue in school, the College provides student emergency funds in the form of grants.

Typically ranging from \$100 to \$1,000, students simply need to request the funds from the Student Financial Services Office. When Covid-19 hit, a new fund was created to help with the influx of requests from students.

Your past gift to a Babson emergency fund helped pay for:

Accommodations for international students who could not go home during school breaks.

Winter clothes for Global Scholars staying in Boston for winter break due to Covid-19 travel restrictions.

Rideshare expenses (Uber, Lyft, etc.) for emergency situations.

Medical expenses not covered by insurance, including trips to the ER.

Continuing to put students first is the number one guidepost in Babson's Strategic Plan. Will you continue to support emergency funds at Babson to help us do just that? [Add your name to the list](#) of 86 alumni who have already made a gift to one of our emergency funds this year.
