

Dear Fellow Don,

As an alumna, I believe that the power of a USF education is shown in the real, tangible possibilities made available to students, and today you can be a part of this powerful movement.

Today, on Day of the Dons, we can give back to make sure the next generation of USF students can experience the same power of a USF education that we did. **Will you join me in making your Day of the Dons gift to the area of campus that means the most to you?**

The generosity of countless donors like you allowed me to share the commencement stage with my peers, including first-generation graduates, and connect with alumni who have gone on to reach new heights.

Contributing to the success of future students is how I show my pride in the people I met, the experiences I gained, and the love I continue to receive as a USF graduate.

I can only hope that my impact today opens doors for past, present, and future Dons. **Join me.**

Sincerely,

Jady Ojiri '21

P.S. Together, we can make a difference! To encourage you to give back to your favorite area of campus, two alumni who give today will be selected to earn a \$250 match for their gift.
