Support Student Success through Scholarships

At CSUSB, our formula for success is simple: we believe in our students, and our work as faculty and staff, helps empower them to dream big and strive towards success every day. Scholarships play an essential role in making their dreams possible. Not only do scholarships help hundreds of students reach their educational milestones, but they also symbolize the CSUSB community that stands with them and believes in their future.

Below are just a few examples of scholarship funds you can support:
