

Dear SALUTATION,

It's been a great start to a new year. This fall, we welcomed one of our largest and most academically gifted classes to campus, and we unveiled exciting campus-wide improvements from the Five-Star Plan.

Launched in Spring 2022, the Five-Star Plan represents the College's most comprehensive improvement strategy to date and focuses on facilities, technology, campus enhancements, and elevating the student experience.

Freshmen and upperclassmen alike arrived this fall to a complete renovation of Ponce Hall West and Lewis House, and new amenities such as a kayak dock, community kitchen, and fire pits. Soon, a new Learning Resource Center, Archaeology Lab and Innovation Center will open.

All of these efforts within the plan are driven by a promise to our students to provide a unique and life changing experience inside and outside of the classroom. To continue fulfilling this promise, we ask for your support of the Flagler Fund. Your generosity ensures that the College remains accessible to those who seek a transformative academic experience.

Your annual gift to the Flagler Fund provides funding for these College priorities:

1. Scholarships for exceptional students from different backgrounds to help them close financial gaps so they can reach their academic goals.
2. Transformative learning experiences outside of the classroom, such as field research, participation in professional conferences, and study abroad.
3. A vibrant campus community with new activities like the kayak launch and the Flagler Fest concert, which promote an exciting campus life.
4. State-of-the-art facilities that maximize student success and community impact, such as the Lacrosse Field, Innovation Center, and the Five Star renovations of the Ponce.

Our Saints will attest that these are important experiences in their quality of life at college and their preparation for life afterwards. Through gifts from loyal supporters like you, there is much we can accomplish together to better support these students.

Today, I ask you to join me in continuing our forward momentum by supporting our Saints and granting them the ability to benefit from a Flagler education. Our community, and the communities they will serve, will feel the positive impact of your investment for years to come.

Gratefully,

John Delaney  
President of Flagler College

P.S. To show our sincere gratitude, please accept the enclosed personalized mailing address labels to show off your Flagler pride.

**YES! I WANT TO SUPPORT FLAGLER COLLEGE WITH MY GIVING.**

**I'D LIKE TO DONATE:**

\$25  \$50  \$100  \$500  Other: \_\_\_\_\_

Flagler Fund

Other: \_\_\_\_\_
