

# LUTHER COLLEGE *Phonathon*

For 40 years, Phonathon has been a beloved Luther tradition. You've connected with current students and heard what's happening on campus. Student callers heard stories about Luther's past and got advice about their future. **Through Phonathon, you have strengthened the Luther community and supported the students on campus today. Thank you!**

It's been quiet in the Phonathon room this year while we've made some necessary adjustments to our database and calling system— and we miss talking with you! So while it's no substitute for that phone call, we'd like to give something back to our most dedicated Phonathon donors (that's you!). **When you give \$40 or more, we'll send you a special gift in celebration of 40 fantastic years of Luther College Phonathon.**

Until we talk again!
