Dear Yaoyu,

Exciting things are happening at the College of Business. Our graduates carry bold ideas and knowledge into the world. Today's students continue to forge lifelong connections that will shape their careers and networks. And educators deliver the exceptional academic experience that defines a UNI education.

All that we celebrate today is made possible because alumni like you invest in today's students. You have helped the College of Business get to where it is today, and now I ask you to help define our path forward.

Your gift today will provide pivotal scholarships and financial aid that support promising students like Mariana Calderon Quiroz. You will also invest in opportunities for the future through *Our Tomorrow: The Campaign for UNI*.

Your support means the world to us, and we're proud of all that you do to strengthen UNI and invest in future Panthers.

For all of these reasons and more, I encourage you to renew your support with a gift of \$100 or more. Visit foundation.uni.edu/givetocbiz to get started.

Sincerely,

“Through my Global Marketing major, I completed an internship with the Organization of Women in International Trade — but due to the pandemic, all of my work with them was virtual. When they announced their annual conference, I knew I wanted to find a way to attend in person. My faculty advisor, Dr. Christine Schrage, helped me apply for funding that allowed me to attend, meet all the executives I had been working with and build my network for the future.”
