

Your Support is Needed for USD Students

Tue, Jun 9, 2020 at 8:41 AM

Dear Philip,

I hope you and your loved ones are doing alright amidst these challenging times. As conflict continues to spread, we hope you can find support among your fellow Toreros.

I'm writing to let you know that we are approaching the end of the university's fiscal year and need your support now more than ever. As we look ahead to the fall semester, we are already aware of unprecedented financial need among new and returning students. So, if you're unsure where to designate your gift, I encourage you to [support current use scholarships](#). Current use scholarships can be awarded right away and help students immediately.

Although current use scholarships are the university's greatest need, you can give to any area of campus you feel most passionate about. If you'd like to support scholarships for our underrepresented student communities, you may also consider a gift to the [Black Alumni Network Scholarship or the Latino Alumni Network Scholarship](#).

In addition to supporting students, your gift influences our institutional ranking in the category of "Alumni Participation." As USD's rankings increase, so does the value of your degree and the degrees of our newest Torero alumni, the Class of

2020. Your support will help us provide much-needed scholarships while adding to the reputation and strength of the Torero Network.

Our fiscal year ends on June 30th, so please make your gift today. Gifts of any amount help our current students and boost alumni participation.
