

Dear <<First Name>>,

It's finally time to come back to LMU Loyola Law School for our 10-year reunion! Taking place on June 10, 2023, the LMU Loyola Law School Milestone Reunions will be a wonderful opportunity for us to reconnect with old classmates, reminisce about our time at LLS, and honor our reunion while enjoying delicious food and drink in a festive setting.

As you know, a Loyola law degree prepared us well for fulfilling careers and lives rich with meaning and purpose. As we all reflect on the cherished values that have shaped who we are, we invite you to not just *come back*, but to *give back* as well.

Let's celebrate our milestone 10-year reunion with a gift in any amount. The Class of 2012 has set a giving goal of \$50,000 to help support the success of our future lawyers. Please consider giving to the Juris Fund, the Loyola Scholarship, the Evening Division Scholarship, or the area of your choice.

**The deadline to register for our reunion is June 3.** Visit [lls.edu/reunions](https://lls.edu/reunions) for more details.

**Thank you so much for your support of LLS. We can't wait to see everyone!**
