Dear Ashley,

We hope you are able to come to attend our **20th Reunion** next week! You can check out all of the events and register [here](#). In honor of our reunion, we also hope you will consider making a **gift** to GDS. Together, we can support the students who are embarking on the same journey we did and ensure that future alumni have the tools to become changemakers within their communities.

Thank you for considering, and we hope to see you at Reunion!
