RE Ransom Everglades School

ALUMNI WEEKEND 2023

GIVE *back* | **THROW** *back* | **COME** *back*

Class of 1998

Dear **Nickname**,

With little over a week to go, the countdown is on for our 25th Reunion! We love seeing so many familiar names added to the registration list. If you have not yet registered, there is still time to do so [here](#). Also, be sure to stop by the Soloman Art Gallery during Alumni weekend for a special exhibition honoring our classmate, Beatriz Mendoza '98 (1980-2018). Her family curated a retrospective of her incredible artwork that will be on display all weekend. Don't miss out on this opportunity to remember and honor Beatriz.

As we mentioned previously, we encourage you to honor this milestone celebration by supporting our **Class of 1998 Reunion Gift*** designated to sustainability initiatives at RE, including the **2023 Climate Symposium sponsored by the Class of 1998**.

Now is a great time to support RE! When you make your gift before our reunion, you can double your impact and have a chance at winning some awesome RE swag (see the photo below): **Ben Quevedo is matching all gifts to sustainability up to \$5,000 and all donors will be entered into a drawing for some awesome RE swag sponsored by Daniela Eraña Andrade** at our reunion dinner (you don't have to be present to win).

Thank you in advance for making this reunion year special. We can't wait to see everyone next week!

Sincerely,
Daniela Eraña Andrade and Ben Quevedo
1998 Reunion Committee Co-Chairs

WIN RE SWAG!

[Make your Reunion Gift](#) [Register for Alumni Weekend](#)

*If you feel strongly about supporting another designation, please feel free to do so. You may also make your gift in honor or memory of a special person like a teacher, coach, classmate or family member.

As sponsors of the 2023 Climate Symposium, we invite you to join us and the RE community at two exciting events at the Upper School:

Inaugural Environmental Sustainability Lecture Series featuring Michael Grunwald on April 18, 2023 from 6:15 p.m. to 8 p.m.	2023 Climate Symposium sponsored by the Class of 1998 on April 26, 2023 from 5 p.m. to 8:30 p.m.
