

**YOUR SUPPORT**

# MAKES A DIFFERENCE

for O'Neill students

Whether you give to the O'Neill School to sustain our **EXCELLENCE**, make an **IMPACT** on communities and society, or express your **APPRECIATION** for the knowledge and connections you gained at IU, your donation makes a difference for students.

*"Cost was a big factor for my family and me during the college admissions process, and without your generous donation and consideration for the students at this university, my future would've been a lot less clear. Thank you for allowing me to follow my academic goals, and I can promise you that today and going forward, your investment in my success will not be for naught."*

—Meredith Kuhl

The **O'Neill Alumni Association Scholarship** exists to support undergraduate and graduate students from both the Bloomington and Indianapolis campuses. Your gift directly helps O'Neill students who are learning to change the world.
