

A GOLD STAR FOR OUR YOUNG
ALUMNA VOLUNTEER:
MIKAELA BURYJ '20

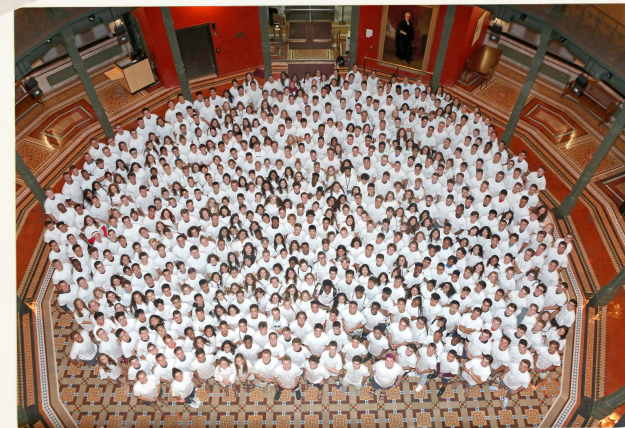

"I am currently pursuing a master's degree in international relations through the Department of War Studies at King's College in London. This entire experience has been so rewarding. I'm currently working on a piece about modern conflicts for an academic journal on campus while also preparing my dissertation. I continuously reflect on my time at Union, specifically the support and training I received as a student in the Department of Political Science. I feel very well equipped to tackle these large-scale writing projects in large part because of the excellent instruction and guidance I received while at Union."

👉 *Mikaela is a member of our GOLD Committee, a group of young alumni volunteers that help plan events, solicit support for the college and serve as a sounding board for GOLD programming and initiatives.*

ALL ABOUT?

- ✓ ENGAGEMENT
- ✓ PHILANTHROPY
- ✓ CONNECTION

The Graduates of the Last Decade (GOLD) Network is made up of our most recent alumni, 2013-22. We support one another and strive to create more room at the table for outstanding peers, teammates and leaders to join our community. If you are interested in attending a networking event, speaking on a panel or giving back directly to a program that's important to you, go GOLD this year.
