**BE A HERO**

## You can be hero for a student today

Sometimes we all need a little help. **When UO students face challenges that could jeopardize their academic success, your support is crucial.** Thanks to generous donors, the Student Emergency Fund has awarded small grants totaling over \$200,000 that provide emergency or gap funding for students experiencing an unforeseen financial hardship caused by a family emergency, injury, illness, or circumstance beyond the students' control. **Celeste, your generosity can make all the difference for a student facing adversity.**

**GIVE TODAY**

### **When you give, students thrive.**
