Julianna [REDACTED]

Hello Aunt Jul,

I wanted to take the time to reach out and let you know how excited I am to be playing for WCU's Baseball team. I'm so proud of our team; it's become a great group of friends for me. Along with playing the sport I love, I'm also getting a great education here. As our coaches like to remind us, WCU athletes strive for classroom, competition, and community excellence, and I hope I'm continuing that tradition.

2022 was yet another memorable season for Golden Rams Baseball, which ended in Cary, NC at the Division II College World Series! We were the #1 seed coming out of our region and were able to host regionals and super regionals on our newly renovated field, where we won the first ever NCAA tournament game at home! The season concluded with an overall record of 36-15 and a finish in the final four at the Division II National Championships. Despite all this success, it has left our team hungry with unfinished business from falling just short of the National Championship in 2022.

Along with our athletic accomplishments, Golden Rams athletes have outstanding academic achievements. WCU has a ton of resources for all their students, helping to keep a high standard for every athlete. While this team is a highlight of my college years, knowing I'll graduate WCU with a respected degree keeps me motivated. Together, my sport and school make me feel like a real member of the University's and West Chester's communities.

As we begin a new season and semester, Baseball made some high goals. My team and I ask for your support so we can continue our success on the field and in the classroom. **Become part of our team with a gift to the WCU Baseball program.** The donation you give will help us reach our \$15,000 goal so that we can elevate our game. Fill out the enclosed donation card, scan the QR code below, or visit our website: <https://go.wcufoundation.org/donate/athletic-friends-family> to show your Ram Pride today.

Thank you for supporting me and my sport dreams. I will keep making you proud.

Go Rams!
