

GulliverPrep

TWO WAYS TO GIVE

At Gulliver Prep, there are two types of giving that are critical to advancing the short-term and long-term priorities of our school: The Gulliver Fund and capital gifts.

THE Gulliver FUND

- Raises money every year to support the people and programs that make us unparalleled
- Can be designated to a program, team, or division
- Used annually to support student experiences
- Offsets planned expenses for departments, teams, or small spaces
- Used within the current school year
- Includes gifts made on Give Miami Day and for events including the Golf Tournament, Gala, and Fishing Tournament
- Any undesignated funds will be used to support capital campaign initiatives

ALL GIFTS TO GULLIVER

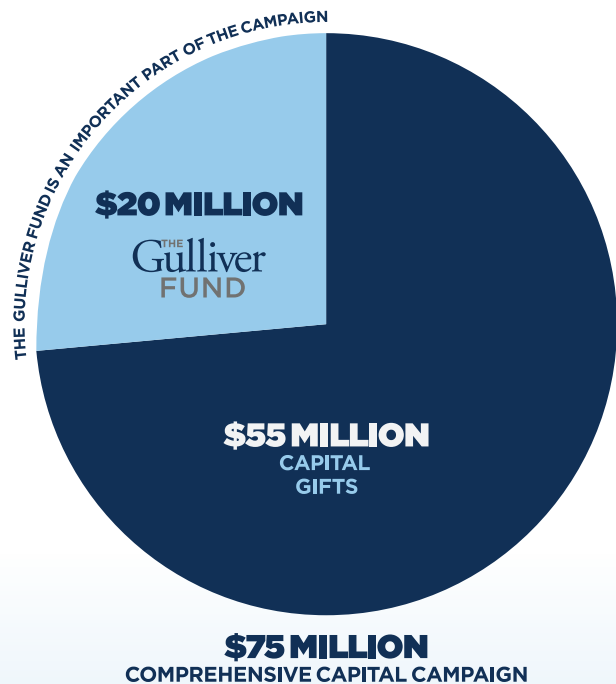

- Are tax deductible - Gulliver Prep is a 501(c)3 nonprofit organization
- Can be funded through a donor-advised fund or foundation
- Can be made with gifts of appreciated securities or cryptocurrency
- Can be made in honor or memory of someone
- Are celebrated through annual Gulliver Giving Circle events

Transformation *together*

2026

A Campaign for Gulliver Prep

- Supports Gulliver's building plans by funding classrooms, fields, and facilities
- Typically larger gifts ranging from \$100,000 and above
- Can be paid over 3 to 5 years with a written pledge
- Gifts are typically made through an individual gift planning conversation with Gulliver Advancement leadership

Gifts to The Gulliver Fund are our first priority and are used in the current school year. For larger contributions, or for those who wish to make a transformational impact on the future of our school, capital gifts are the best way to make Gulliver's vision for world-class facilities come to life.
