# Give Thanks by Giving Hope on National Doctors' Day

Dear {Salutation},

Each day, the team at RUSH University Medical Center provides excellent care and transforms patients' lives. On National Doctors' Day, we'll celebrate the medical heroes who overcome every challenge, **and we invite you to join us.**

There has never been a better time to honor and inspire the RUSH doctor who made a difference in your life. Physician burnout is on the rise. In fact, more than half of all doctors report experiencing a great deal of stress and emotional exhaustion. Moments of joy during the workday, including a note of appreciation from a grateful patient like you, can help ease the tension.

**Your gift of \$65, \$100 or \$250 will uplift our physicians while giving hope to patients who need it most.**

RUSH doctors' relentless pursuit of exceptional, compassionate care is one of the many reasons we call them heroes. We couldn't be prouder of our dedicated staff, physicians and clinicians, who give it their all day after day. By supporting RUSH, you renew the vigor of physicians, who see the direct results of your gift, and show our team you're invested in the health of all community members.

**{Salutation}, thank you for celebrating National Doctors' Day with RUSH. You make a difference in the lives of so many!**

*P.S. To ensure doctors receive proper recognition, please mail your gift by March 30 or make your gift online at [rush.edu/doctorsday](https://rush.edu/doctorsday).*

**Is there a physician at RUSH who provided exceptional care to you or a loved one? Now is your chance to let them know.**

**Show your appreciation for a RUSH doctor by filling out the enclosed card with a note of gratitude and mailing it back with your gift.**

**Your support and kind words will be shared with your honoree, strengthening their well-being and rejuvenating their work.**

**Give online at [rush.edu/doctorsday](https://rush.edu/doctorsday)**

# Join Us in Celebrating National Doctors' Day!

Your contribution not only pays tribute to a remarkable doctor, but it also helps ensure all patients and their families have hope for a healthier tomorrow. Every gift to RUSH makes excellent care possible no matter what area you choose to support, but here are a few to consider:

## Wellness Fund

A gift to support the wellness fund promotes the well-being of RUSH physicians. This fund combats the drivers of physician burnout and can help health care workers protect their mental, physical and social health.

## Medical Center's Greatest Needs

An unrestricted gift to support RUSH University Medical Center provides immediate support and allows our leaders to allocate funding toward the greatest needs, which are often time sensitive. Unrestricted funds are used to handle costs that other funding may not cover — helping to unlock potential without losing momentum.

Interested in giving to a different fund? Use the space on the reply slip to specify an area of support not listed above. To see other funding areas, please visit [rush.edu/doctorsday](https://rush.edu/doctorsday).

## Matching gifts:

Your gift could be doubled or tripled! Check with your (or your partner's) HR department to see if your contribution is eligible for matching gift benefits.
