Help RISD Students Make Their Mark

Dear [Redacted],

When the world asks complex questions, RISD students give creative answers. Each generation of critical makers enriches and reshapes our world, driven by deep curiosity and equipped with the extraordinary skills they develop at RISD.

But to provide the quality of education and experience our students deserve, **there is still more to be done.** Your support of the RISD Fund is essential to create conditions where every student can

realize their extraordinary potential and share their gifts with the world.

██████, your past support has shown that you're committed to helping students reach their full potential. **Today, we ask you to show up once again for RISD students by [making a gift](#), partnering with them to shape the future.**

You can help provide students with the resources they need to continue their creative pursuits. Your gift to the RISD Fund can:

- ➔ **Increase access** to materials, internships, mentorship and opportunities for all students.
- ➔ **Invest in the student experience**, adapting curriculum and resources as they learn and make in a rapidly changing world.
- ➔ **Diversify our community and curriculum**, promoting societal change and critical discourse.

Our RISD community is a powerhouse of passionate people who not only make things, but also make things happen. Because of your past support, our students have never been better prepared to make their mark on the world. **Please join us again in making a meaningful impact for our RISD students—today and in the years to come.**

██████, you can ensure that our students receive the valuable training and experience that you did during your time at RISD. **Will you stand with students through [your gift to the RISD Fund](#) today?**

Make A Gift

For a brighter future,
