Last weekend's Commencement at Saint Mary's marked the end of one journey and the beginning of another. Lumen Christi Award recipient Angela Martinez Camacho '23 is one of many accomplished graduates who embodies Saint Mary's mission.

As Student Body President, Angela prioritized community service for all clubs and organizations. Led by her faith and passion for service, her work extended beyond campus, where she volunteered to feed the homeless in the South Bend community. One nominator said of Angela: *"As I see it, she has done what the Lumen Christi Award looks for—she has been a transformative force for good on our campus."*

As we celebrate the Class of 2023 and the achievements of students like Angela, we hope you will renew your Madeleva gift to the Saint Mary's Fund in honor of your Reunion. Your support by May 31 makes a meaningful difference, empowering students to achieve their dreams and reach their full potential.
