

Make the Saint Mary's experience possible

Dear <Salutation>,

This fall, we are thrilled to welcome one of the largest incoming classes in recent history. As the Class of 2027 embarks on their Saint Mary's journey, I want to thank you for being a part of the larger Saint Mary's family that enables each student to live out a vision of her own unbounded success.

Our message to the newest members of our community—and to the world—is clear: Saint Mary's College is an engine for women's empowerment and leadership. We are a destination for students to grow in their spirituality, to lean into their unique talents, and to graduate with the knowledge, critical thinking, and communication skills they need to succeed in whatever future they choose.

Our graduates are already living out that experience in the communities they serve. From leading as CEO of the National Geographic Society to addressing food insecurity issues to growing financial literacy for girls, Saint Mary's women are responding to the needs of our time with faith and courage.

Your investment in Saint Mary's remains critical, so that every student has access to the full Saint Mary's experience. Unrestricted gifts allow the College to address areas of greatest need, fund scholarships, and support essential programs. <Ask Sentence><Ask Amount>.

Thank you for your generosity as we work together to prepare the next generation of Saint Mary's students for their work in the world.

Warm regards,

Katie Conboy
