

Walking in a Kent State Wonderland

*Snow is falling, are you ready?
The students all, are tray sledding
Meet your friends for a bite
At Eastway tonight
Walking in a Kent State Wonderland*

*Gone away is the bluebird
Here to stay is a Blue and Gold bird (named Flash)
We sing the fight song
While squirrels stroll along
Walking in a Kent State Wonderland*

*On Front Campus, we can build a snowman
We can dress him in a cap and gown
He'll say, are you studying?
We'll say, no man
But you can say hello when you're in town*

*Hangin' out at the dorm
Or at the library staying warm
The night's almost gone
But memories live on
Walking in a Kent State Wonderland*

Kent State University is more than a physical place. It's the memories we made, the people we met and the experiences we had while here. Catching up with an old friend, flipping through photos or reminiscing about memorable songs allow us to stroll through these moments again and again, giving us a chance to reflect on the past and illuminate the future.

This winter, you can give a gift that lasts a lifetime by supporting the [Kent State University Scholarship Fund](#), which impacts students at any campus, in any major. Your support gives our students the opportunity to pursue their dreams, influencing the communities around them and making the world *Forever Brighter!*
