Dear Cadiann,

Hi, I'm Emma! I'm a senior psychology major at the University of Mary Washington and an Eagle Engagement Center caller.

At the Center, my fellow callers and I reach out to alumni, parents, and friends of the University to ask for your support, share news from campus, and ensure we have your updated contact information. Making connections through these calls has been a highlight of my Mary Wash experience.

We will be kicking off our calling season next week, and we are excited to speak with you! **Thank you for answering the call when you see 540-654-1024 on your phone.**

Your support makes a world of difference for students like me. **Thank you for investing in my education.**

Sincerely,
Emma '24

Make your gift to UMW
