AT THE PREP

We are one month away from the **Prep Fund Day of Giving** on **Thursday, November 16!**

At the Prep, we rely on your support of The Prep Fund. Since the founding of the school in 1851, the Prep community has always come together to create meaningful and lasting impact on the students that we serve. But there is still work that needs to be done. ***We are counting on you to make a difference!***

A gift to The Prep Fund will continue to provide opportunities for the students that we serve. Without your support, the Prep would not be the exemplary institution that it is today. At the Prep, students gain access to a high-quality Jesuit education, participate in a number of sports or extracurricular activities, attend retreats and service trips, and receive financial aid and scholarships.

The Prep needs your help! We look forward to your support and engagement in helping the Prep reach its one-day goal of **\$300,000**. With your help, we can make a difference in the lives of deserving and hardworking students who are becoming men for and with others through the values and teachings they receive at the Prep.

Ways to Give:
