STEAMBOAT
— SOCIETY —

THERE ARE 1,000 WAYS TO MAKE A DIFFERENCE.

You can see it in their faces—the potential to do something remarkable. At the University of Wyoming, student success is our purpose and our responsibility. We work together to make sure students not only graduate but also get a meaningful degree that helps them succeed in life.

You can help too. Your \$1,000 gift changes lives. It makes things better for UW's students and the faculty and programs that support them.

Join us in this important work. Together, we can create a better future for everyone.

Dear Cowboy Joe,

At the University of Wyoming, students and faculty are at the heart of everything we do.

Our main goal is to provide amazing educational experiences for our students. We want to make sure they have access to opportunities, stay in school, graduate successfully, and have the skills to make a difference in the world.

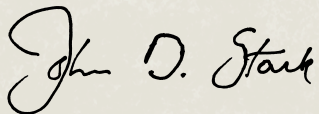

Our faculty are our priority as well. By supporting talented educators and leaders, we can attract more great students and get more funding for important projects through grants, research, partnerships, and donations.

Your kindness and generosity make a big difference in our work, and we are truly grateful for your support. With your help, we can make the education we offer in Wyoming even better.

If you give one or more gifts that total \$1,000 in a fiscal year, you can become a part of the Steamboat Society. My wife Jenni and I are members, and we feel honored and excited to support the parts of the university that we care about most. You can support the areas you love by giving online at uwyo.edu/steamboat or by returning the enclosed card and your gift in the provided envelope.

Visit uwyo.edu/foundation to see the impact of your gifts. If you want to get more involved with our students, faculty, or programs, you can contact me or one of our development directors.

Go Pokes!

P.S. Your generosity makes a real difference to Wyoming's university!
Thank you!

It's good to give.
