Join Our Charter Day Celebration!

Today is a monumental day for Colby College. On this day in 1813, Colby College was officially formed with the signing of the school charter. **Today is Colby's 210th Charter Day!**

For more than two centuries, Colby has boldly inspired students to dare for the extraordinary and established a longstanding tradition of coming together to make an impact. The Colby community is full of strength, generosity, and opportunity.

Today also marks the final day of the **True Blue '23 Challenge**. So far, more than 1,800 donors have joined the challenge, and in honor of Colby's 210th anniversary, we're asking you to do the same.

A gift of any size will have an immediate impact on all Colby students. Please make your gift today and **help us reach our goal** of 2,023 donors, unlocking \$250,000 in support for the Colby Fund.

Together, we can make the extraordinary possible!
