

Give back for life with the Georgia Tech Student Foundation

DEVELOPMENT & OUTREACH COMMITTEE

This committee has the responsibility of planning and implementing programming to support fundraising for Roll Call, and leading the effort of educating students about GTSF's mission and the tradition of philanthropy at Georgia Tech.

ALLOCATIONS COMMITTEE

This committee facilitates the distribution of funds from the GTSF endowment to student organizations that have novel, philanthropic ideas to better the Georgia Tech community.

INVESTMENTS COMMITTEE

This committee manages the \$2,000,000+ endowment fund through a philanthropic portfolio of steady return, while also providing education to their members on the basics of finance and investing.

ROLL CALL serves as Georgia Tech's Fund for Excellence providing unrestricted funding to support student needs, scholarships, and programs. Since it began in 1947, Roll Call has become one of Tech's greatest traditions that thousands of alumni, students, and friends participate in each year. Through GTSF, student gifts to Roll Call help provide funding for student-focused priorities championed by students just like you. Roll Call represents the Tech spirit of doing what you can to help fill a need to make the Tech experience possible for current and future Yellow Jackets. Give today to join the tradition!
