

Hey Senior class!

We hope your school year has been off to a wonderful start! As we embark on our last year at Valpo, we are excited to begin thinking about what we will be able to leave behind for the students to come. Think back on all of your opportunities at Valpo - experiments in labs, attending sporting events, enjoying theatre productions and concerts, and so much more! All of these were made possible because of generous donors to the University. Now, it is our turn to participate in giving back!

The Senior Class Gift is a student-led philanthropy initiative that provides a gift to Valparaiso University, which is selected and funded by the senior class. The senior class gift is a way for each senior class to make a lasting impact on campus for Valpo students to enjoy for many, many years.

So, seniors, we need your help! We are collecting ideas from the senior class to gauge interest on how we can support a meaningful gift to Valpo from the class of 2023. You can fill out [this form](#) by **Saturday September 24, 2022** to submit ideas to the Senior Class Gift executive board. Past classes have commissioned the mural in the Bell and Beacon, donated to the Disc Golf Course, supported the Valpo fund, and helped provide for the word collage mural hanging in the Harre Union. We can't wait to see your ideas for ways we can support Valpo with our class gift!

We are excited to help lead the senior class in this initiative so we can give back to Valpo! Keep your eyes out for more information on the Senior Class Gift as we move through the year. Please reach out to any committee member with questions.

Sincerely,  
Your Senior Class Gift Committee
