

Your Gift to the Lausanne Community Fund

Good afternoon,

As you know, Lausanne relies on philanthropic contributions to the Lausanne Community Fund in order to enhance the educational journey of our students. Every single gift, no matter the size, has a positive and substantial impact on our students, our faculty and our school as a whole.

As part of the incredible fabric of Lausanne, we hope you'll choose to support an area that is meaningful to you. To pledge, please submit the attached form directly to the Development Office or via email to Kris Launius, Associate Director of Development, at klaunius@lausanneschool.com. *Note: the cutoff for October payroll deduction requests is October 25.*

As a special 'thank you' to our earliest donors, we're offering a catered lunch to the first division to reach 100% participation by October 13!

We sincerely appreciate all you do for our students each and every day - thank you for your most generous support!

Sincerely,
Ariel Spencer
