WHY IS IT IMPORTANT TO PARTICIPATE?

1

WHY GIVE TO USM?

USM is a fully self-funded nonprofit independent school. The continued excellence of our school is made possible thanks to the generous support of our community in the form of time, talent, and treasure. The commitment of our community allows our school to carry out our mission of cultivating excellence in learning, leadership, and citizenship for prekindergarten through 12th grade students. Additionally, high participation numbers in annual giving help qualify our school for outside funding such as foundation grants.

2

WHAT IS THE USM FUND?

The USM Fund is the school's number one giving priority. It is our school's annual giving program, and it supports virtually every area of school life. Dollars raised through the USM Fund are a vital part of our annual operating budget, and gifts made to it are tax-deductible. Support of the USM Fund demonstrates the loyalty, commitment, and generous spirit of our entire USM community.
