

Dear Donnie,

As a University of Detroit Mercy employee, you are one of the university's greatest advocates, actively promoting our values, supporting our mission and making Detroit Mercy a force for good in the world. Through the faculty and staff giving campaign, you can play an even larger role in the life of the university.

The best way to lead is by example. If we want our students to learn and grow to become men and women for and with others then we must set the example. That is why all faculty and staff are encouraged to participate in our faculty and staff giving campaign. Your contribution to Detroit Mercy is an investment in our students, programs and, most important of all, our community.

You may choose to support any college, school or program of your choice, make a one-time gift or give through ongoing payroll deduction, whatever is most meaningful to you. Participation, however, is key to the campaign.

Be a leader in our community by making a gift to University of Detroit Mercy today! Visit our faculty and staff giving campaign webpage to hear why your colleagues have chosen to support Detroit Mercy at udmercy.edu/donate/fac-staff and to learn more.

The more people who choose to give, the greater the collective impact will be. In fiscal year 2022, **199 faculty and staff donors** made gifts to the Detroit Mercy Annual Fund and other designations, which contributed **over \$150K** in support. Be part of the collective impact this year!

Sincerely,

Judy Wernette
Director of Annual Giving
