## What is **GOLD CLUB**?

GOLD (Graduates of the Last Decade) Club aims to engage young alumni of Midland University through various networking events both on and off campus, as well as build a culture of philanthropy among alumni through giving of time, talent, and treasures to support Midland students.

## WHAT ARE THE BENEFITS?

- Networking opportunities
- Professional development
- Social events
- Mentoring opportunities
- Alumni punch card
- Exclusive invitations to various on campus events
- Access to exclusive GOLD Club directory
- Chance to pay it forward to future students

## HOW TO PARTICIPATE

To be an active GOLD Club participant, make an annual contribution to the University in any amount to pay it forward and help pave the way for all future Warriors to reach their full potential.

### Why is giving annually important?

- 100% of Midland students receive scholarships and financial aid. Your gift supports this effort.
- Helps increase the participation rate of alumni who give, which can result in more grants and an increase in Midland's rankings.
- Helps ensure the success of current and future Warriors and gives them the opportunity to have a great college experience like yours!
