Hi ##PreferredInformal##,

Student library workers are hardworking and passionate about equitable access to information, and this work should be recognized and celebrated!

I look back on my library work experience fondly, and I hope other library worker alums do as well.

**Give to UI Libraries**

**One Day for Iowa is next week which means from now until March 29 at 11:59 CDT, Hawkeyes like us who've graduated in the last decade can get our gifts matched up to \$20,000—including donations made to support UI Libraries.**

Working at the library gave me the skills I needed to work at the Iowa City Public Library, and then to continue my work in the nonprofit sector at the UI Center for Advancement.

I'm happy to recognize the UI Libraries for the valuable skills and experiences they gave me by [supporting the UI Libraries with a gift](#) on One Day for Iowa. Today, I hope you'll join me.

On Iowa and Go Hawks!
