

Bringing together all those who love CSUSB

Join us in celebrating Coyote pride and generosity as we raise funds for **#GivingTuesdayCSUSB!** Your continued support with a gift of ANY size can transform many areas on our campus, such as the food pantries, scholarships, CSUSB Libraries, student-athletes, and so much more!

Your donations and advocacy will help us reach our **goals of energizing 600 donors and raising \$100,000 to help break down barriers to academic success.** Give NOW until midnight tonight to a cause that means the most to you.

GIVE NOW!

No matter the size, every gift meets a need and is at the heart of student success!

Student Athletes

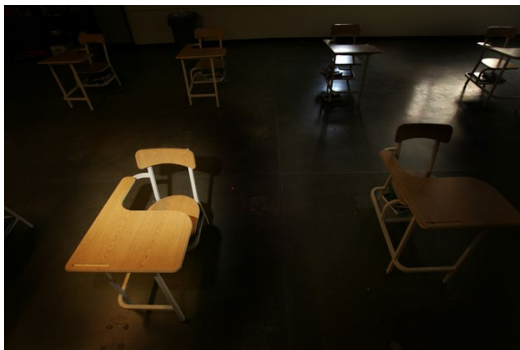

CSUSB student-athletes model excellence not only on fields, courts, and tracks but also in classrooms. They are among our best and brightest students, which means

they are among the best and brightest in the country. Join the #10TeamsOnePack in championing athletes!

Give to Student-Athletes

Inside-Out College-in-Prison Program

At the Center for the Study of Correctional Education, we believe that education is a human right, and we are working to make educational opportunities widely available to all members of our community. Your gift will provide incarcerated people in the Inland Empire access to higher education through funding essential costs, including tuition, books, and school supplies.

Give to the CSCE

Sports & Entertainment Marketing

Your generosity is instrumental in advancing the Sports & Entertainment Marketing Program and enhancing the educational experience for aspiring marketers. This program provides students with experiential learning experiences, cutting-edge resources, networking opportunities, and scholarships.

Give to Marketing Students

CSUSB Library Innovation Lab

The library innovation lab fills a unique niche within campus makerspaces. It's open to all students regardless of their major, offering an inviting environment where students can explore their interests and creativity, try out new equipment and develop practical design, tool and technology skills.
