FOSTER

SCHOOL of MEDICINE
TTUHSC EL PASO

**Create lasting impact in the
lives
of medical students!**

Dear ##Salutation##,

For medical students, a white coat is the beginning of a journey toward compassionate leadership in health care. Your previous investment in a Foster School of Medicine student meant they are able to serve others and our community.

Sponsor a white coat for a future health care hero.

In the pocket of all white coats you sponsor, students will find a special card with your name, letting them know you fully support their lifelong commitment to serve others. Be sure to write the recipient(s) a note as they embark on a career of delivering compassionate care. Send your note to [Loyalty Giving](#).

Your support of a medical student today will create a lasting impact for the health care of tomorrow.

**Your white coat donation will be doubled by a generous match
from Dr. Dionicio Alvarez and Mrs. Alice Alvarez.**
